

HOW TO COPE WITH BULLYING

AS TEACHERS

- 1 Understand that the parents are under pressure
- 2 Get the full story from the victim, do not interrogate them
- 3 Show that the school understands and will take action as soon as possible
- 4 Get ready to take immediate action if the victim is in danger
- 5 Reinforce the school's policy on bully prevention
- 6 Avoid blaming the bully's attitude, reinforce the positive aspects of the bullies
